Subject: RE: EPA Actions Today

Dear Robert,

Yes, thanks, I'm reading it now and will begin working on comments with our members as soon as everyone has had a chance to digest. I know you and your team must be relieved to have reached this stage in the process!

You enjoy the weekend as well.

Judith

Subject: EPA Actions Today

Hi Judith- I wanted to let you know that EPA took several actions today, including releasing the problem formulation documents and a pre-publication version of a proposed significant new use rule for asbestos uses we believe are no longer ongoing.
